# HAND CRAFTED

*100 points of craftsmanship and quality*

At Hancock & Moore, we uphold integrity and honor tradition. Since 1981, our experience has taught us to never compromise and remain firm in our roots. We are proud to identify as the creators of America's finest furniture because we are one of the last furniture makers that handcrafts every piece in America.

- Handcrafted — craftsmanship and quality that raise the bar
- 500 luxury leathers to choose from
- 26 nail head styles to choose from which can be combined in unlimited patterns
