CRAFTSMANSHIP

200 years of sublime furniture

Some of the most elegant homes in the world, including palaces and embassies, are furnished from the Stickley John Widdicomb Collection. This collection has a long history of high style and exquisite detailing, including intricate veneers and hand-painted decoration.

Some of the most elegant homes in the world, including palaces and embassies, are furnished from the Stickley John Widdicomb Collection. This collection has a long history of high style and exquisite detailing, including intricate veneers and hand-painted decoration. The Stickley John Widdicomb Collection tells the world that you will accept only the very best life has to offer.
